Sir or Madam:

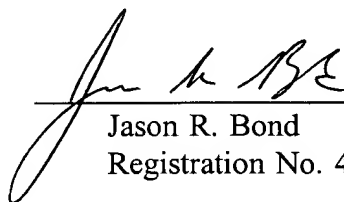

In response to the Notice to Comply With Requirements For Patent Applications Containing Nucleotide Sequence And/Or Amino Acid Sequence Disclosures Mailed 08/31/01, the computer readable form in this application, 09/925,192 is identical with that filed in the prior application, Serial Number 09/370,453, filed 08/09/99. In accordance with 37 C.F.R. § 1.821(e), please use the computer readable form, which was mailed to the Office in the prior application, as the computer readable form for the instant application.

It is understood that the patent and Trademark Office will make the necessary change in application number and filing date for the computer readable form that will be used for the instant application.

A paper copy of the "Sequence Listing" is included in the originally-filed specification of the instant application. The paper copy of the "Sequence Listing" in the instant application is identical to the computer readable copy filed for the prior application, and includes no new matter.
